

POP Workshop: User Feedback

Maïke Gilliot and Jean-Marc Morel, Teratec

EU H2020 Centre of Excellence (CoE)

Grant Agreement No 676553

1 October 2015 – 31 March 2018

If you are interested in the offers of POP

- How can we promote POP to potential users ?
 - > CoEs , developers, users, vendors, ...
- According to you, which hurdles (technical/organisational) do you see in using the POP services ?
- Would you be interested in training (to your community)?
 - On which topics
 - F2F or online ?
 - Individualised or within a group

If you have already benefitted from POP services

- What were (are) your main expectations regarding Performance audits ?
 - To which degree did POP satisfy you expectations ?
 - What are the main constraints you experienced ?
 - Is the diversity of tools an advantage or a problem from your point of view ?
- Is the POP 3-step procedure appropriate
 - Why did you not apply for a performance Plan/PoC ?
- Would you be interested in training (to your community)?
 - On which topics ? F2F ?
- Would you pay for such a service
 - Why not ? (“it’s not worth it” “my boss would never accept to pay for this”)

Performance Optimisation and Productivity
